

Cookie Preferences

Last Updated: [11/03/2026]

Digital Networks uses cookies and similar technologies to improve the functionality, security, and performance of our platform.

This page allows you to manage how cookies are used when accessing:

- www.digitalnetworks.com
- Digital Networks streaming services
- Digital Networks mobile applications

Digital Networks is operated by **Dikotla Originals (Pty) Ltd.**

What Are Cookies

Cookies are small text files stored on your device when you visit a website.

They help websites remember information such as:

- login sessions
- user preferences
- device recognition
- viewing activity
- website performance data

Cookies allow Digital Networks to provide a smoother and more secure streaming experience.

Manage Your Cookie Preferences

You may control how certain cookies are used on Digital Networks.

Some cookies are essential for the platform to function and cannot be disabled.

Essential Cookies (Always Active)

These cookies are required for the operation of the Digital Networks platform.

They allow features such as:

- account login
- secure streaming access
- payment processing
- fraud prevention
- platform security

Because these cookies are necessary, they cannot be disabled.

Performance and Analytics Cookies

These cookies help us understand how users interact with the platform.

They allow us to:

- analyse website traffic
- improve streaming performance
- fix technical issues
- enhance user experience

You may choose to disable these cookies.

Functional Cookies

These cookies remember user preferences and settings, such as:

- language selection
- device preferences
- playback settings

Disabling these cookies may reduce certain personalised features.

Marketing Cookies

Digital Networks may use limited marketing cookies to:

- measure the effectiveness of promotional campaigns
- understand referral traffic

These cookies do not grant third parties access to your Digital Networks account.

You may disable these cookies.

Changing Your Cookie Settings

You can adjust your cookie preferences at any time by:

- using the cookie preference controls on this page
- modifying your browser settings to block or delete cookies

Please note that disabling certain cookies may affect how parts of the platform function.

Browser Cookie Controls

Most web browsers allow you to control cookies through their settings.

You can typically:

- block cookies
- delete existing cookies
- receive alerts when cookies are being used

Refer to your browser's help section for instructions.
